Honest, brave and versatile young pony for competitive riders that want no limitations in moving up. Proven winner from Short Stirrup to rated Ponies with Year End Tricolors in both Hunters & Equitation, and was named 2008 Spruce Meadows Pony Hunter of the Year.

Phanny has a big step and plenty of scope so riders have an easy and confident move up to 3'. She jumps with a consistently nice front end, knees always up and even, and is a very stylish partner for the Equitation ring. Phanny has schooled to 3'6" and is a consistent winner in the hunter ring. She is also very versatile and has enough jump to be successful in the jumper ring. She counter-canters, has changes, and is easy to cue for the lead in the air. She is brave, has no peek or spook, and always jumps around the first time.

This quiet and willing pony loves her kids and loves her job. She always wears a happy expression and is never mare-ish, grumpy, or ill-tempered. She is currently ridden 3-4 times a week, lives out during the day, and is happy to come in at night. She shows well and is suitable for children moving up from Small or Medium ponies.
