Fancy mover, great model, and an honest jumping pony for riders with goals in the rated rings. Super simple to prepare and maintain, settles in quickly at shows, and easy for children to handle at all times. Can safely and competitively take a child from Short Stirrup to Pony Finals.

Haley is a beautiful, top of the line pony with a big, flat-kneed canter and several top hack prizes. She has a lovely topline and wonderful expression that is consistently rewarded in the Model. Haley is kind, always aims to please, and is dead honest to the fences. She jumps well and handles all mistakes with composure. Haley has auto-changes and a big step that is easy to adjust for either 2'6" or 3' lines. She always wears her ears and is never mare-ish or difficult.

Haley is maintained in a simple program of one lesson a week, lots of turnout, and hacking by her young owner. She does not need tuning, goes from stall to ring at the show, and never peeks at the jumps. She is affectionate, quiet, easy to care for, and currently handled entirely by children. Haley is a kind, quality pony that will help a young Short Stirrup rider rise quickly to the ranks of the Pony Hunter ring.
