Big, steady gentleman for Novice riders with scope to take them beyond 3'. Freeway has done a bit of everything; from Novice Adult Hunters to Low AA Jumpers. Versatile, easy-going type and a dependable partner for ammys.

Freeway has a big, slow step and extremely comfortable canter that's very easy to sit. He lopes the lines and makes the strides with ease; jumps clean and tidy in front and quiet through the back. Wears his ears and maintains a great expression between fences. Will take a joke, leave short or long, get out of trouble and forget all about it. Jumps anything, has changes, and goes from stall to ring at the show. Well-schooled and a lovely ride on the flat with an easy frame.

Large but suitable for nearly anyone as a first show horse. Loving partner with a sweet temperament and great manners. Needs no tuning other than a program of fitness and consistency.
