2009 Winter Equestrian Festival highlights include Childrens hack win out of 39; 3rd of 50 entries O/F; and a Reserve Championship in the NonThoroughbred Hunters out of 51. Awesome mover with numerous Tricolors in Childrens, PreGreens and Modified Jr/AOs.

"Pav" is a fancy mover and proven hack winner in company. He has a soft and light style, big ground-covering step, and jumps in classic form with a great front end. Very attractive and well-liked by the judges, he's a quiet horse that needs minimal lunge or prep and is always willing to whoa. Pav is kind and will take a joke, he has a laid-back personality and simple outlook on life.

Pav is very sweet and affectionate with good manners on the ground. Current program focuses largely on fitness rather than tuning, and he's ready for a Ch/AA rider to jump on and learn. Very competitive for riders moving up to 3' and 3'3", and guarantees a nice hack prize.
