Quiet pony with a huge step. Simple enough for a beginner and plenty competitive for rated divisions. Jumped around '08 Pony Final courses without question (Hunter & Medal) and placed 39th out of 102 entries O/F in a competitive Medium Pony division. Safe, quality pony for a novice to move up with.

Gracie has a big step and great rhythm. She makes the lines without getting quick and is an easy, kick-along ride to the distances. She's smooth over the jumps with a nice front end and good use of her head and neck. Auto-swaps, always jumps, goes with a loop in the rein. Gracie is a quiet pony that needs minimal prep or lunge to show.

Kind with a sweet temperament and not mare-ish or opinionated to work with. Doesn't need to be tuned on, has no vices, goes on trails and minds her manners. Simple, but has enough style and scope to last a novice several seasons.
