Experienced partner for novice Jumper riders moving up. Kind horse with a light and soft style. Has also been used in Equitation and has success on Local Circuits in Jumpers from 2'6" - 3'3".

"Polo" has a careful and clean jump with a good hind end. He's a light riding, forward style horse that is nicely sensitive to the aids but not overtly hot or spooky. Polo is soft in the bridle, counter-canter, and has auto lead changes. He has no peek to the fences and is a smart horse that can adjust to get out of trouble.

Polo is a sweet horse that loves attention and bonds well with his owner. He has an agreeable temperament and a good brain, and is well-mannered under saddle and on the ground. Polo currently enjoys a program of consistent exercise and turnout and also goes on trails. Fun and cute partner for riders moving up.
